Rise to Fame and "Storage Wars" Darrell Sheets was involved in the storage hunting industry for more than three decades, beginning his career as a storage unit buyer in his late 20s. He would seek and buy cheap different and rare items, which he would seek and buy cheap different and rare items, which he would seek and buy cheap different and rare items, which he would seek and buy cheap different and rare items, which he would seek and buy cheap different and rare items, which he would seek and buy cheap different and rare items, which he would seek and buy cheap different and rare items, which he would seek and buy cheap different and rare items, which he would seek and buy cheap different and rare items, which he would seek and buy cheap different and rare items, which he would seek and buy cheap different and rare items, which he would seek and buy cheap different and rare items, which he would seek and buy cheap different and rare items, which he would seek and buy cheap different and rare items, which he would seek and buy cheap different and rare items, which he would seek and buy cheap different and rare items, which he would seek and buy cheap different and rare items. other main cast of the show includes Barry Weiss, Jarrod Schulz and Dave Hester. The series follows the buyers of storage cabinets. Before the auction, buyers only have five minutes to control the contents of the locker from the door, and decide whether to participate or not. Darrell and Brandon were active in the show since his first episode, which debuted on December 1, 2010 on the A&E Network. The show is currently in its 12th season, and Darrell appeared in more than 100 episodes, becoming recognized for his famous phrase – 'This is the wow factor!' The greatest search for "war of torture" In the third season of "Storage Wars", Darrell and Brandon bought a deposit for \$3,600 and later it turned out to contain a collection of original works by Frank Gutierrez, estimated to be over \$300,000. The father-son duointernational fame thanks to one of the best results, and with the greatest profit in the history of the show. Darrell Sheets Unusual and Scary Findings During his three-year career, Darrell found many valuable and unusual objects, including a rare comic book collection, four drawings by Pablo Picasso, a letter written by the 16th President of the United States Abraham Lincoln who sold for more than \$15,000, and many other valuable items. On the other hand, Darrell once found a human body, which was then discovered that the body found was actually the body of the previous owner's wife, who killed her and hid her body in the locker. Appearance, Vital Statistics, Weight Loss The famous reality TV star and buyer storage unit has short gray hair and blue eyes. It is located at a height of 5ft 10ins (1.78m) – in 2016, Darrell weighed more than 315lbs (143kgs), so determined to lose weight. He combined several methods, including changing his diet and working out, eventually trying Nutrisystem, and then lost 118lbs (53kgs). Therefore, currently weighs 196lbs (89kgs). Personal life Darrell Fogli was married once, to a woman whose name has not yet been disclosed. She gave birth to her son, Brendon Sheets, and another child, however, divorced. He then began a relationship with Kimber Wuerfel, a real estate agent. Apparently they met on the highway while driving - after having exchanged looks, followed his car. He wrote his phone number on paper and attacked him in the car window. Kimber eventually called him and soon began to leave, in 2011, and became engaged in 2012. They spend a lot of time with their four children, two from her first marriage and two from her previous marriage, however, the couple broke in 2016. In the same year, Darrell announced his engagement with Romney Synder. He works at HiCaliber Horse Rescue. I'm still together. In March 2019, Darrell was admitted to the hospital after having suffered a heart attack; It was discovered that he had congestive heart failure, for which he suffered surgery. Darrell is recovering. I recover.
